Hiring Manager  
ThoughtWorks

## Dear Hiring Manager:

Thank you for the opportunity to apply for the Graduated Developer role at your company. I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I have 2 years of work experience in software development which working by the agile development process. It inspires me to believe that a good process will make team working better. In addition, I had experience about being an exchange student at Brazil (AFS Program) that make me interested to work with diversity environment

I am a college graduate (3.26 GPA, Bachelor of Computer Engineering) from Chulalongkorn University. During the course of my academic career, I also had 2 years of work experience. 2nd-year I was a Full-Stack Developer Intern at FireOneOne that is a technology consultant company. In 3rd-year I had decided to join Clerverse company as Full-Stack Developer Intern in summer and doing a Part-time until present.

After reviewing my resume, I hope you will agree that I am a candidate you are looking for. I anticipate demonstrating how my skill and ability will benefit your organization. Please contact me at (093) 135-4239 or via email at nutchanon.ploypray@gmail.com.

Thank you for your consideration, and I look forward to hearing from you soon

Sincerely,

**Nutchanon Ploypray**
